Fall Conference: Register Now

Our annual fall conference, both north and south, are fast approaching in October.

[Registration forms are attached. Please take a moment to register now!](#)

First is the southern meeting at Moorpark College on Friday, Oct. 19. Moorpark is located a little north of Los Angeles, in the Ventura College District. Grace Bodhaine, who teaches Spanish, will be our host. Moorpark has over 15,000 students and offers courses in ASL, French, German, Hebrew, Italian, Japanese, and Spanish. If you need a hotel, the Marriott Hotel in Simi Valley at \$139 per night seems to be the closest to the campus, and we have reserved a block of rooms there. The Courtyard by Marriott Hotel's number is 805.915.5000. You can call the hotel and ask for the CCCFLC room rate.

The northern meeting will be on Oct. 26 at West Valley College in Saratoga on the Peninsula. Ana Maria de Barling will host. West Valley offers an extensive language program with courses in ASL, Chinese, Greek, French, German, Italian, Japanese, Latin, Russian, and Spanish. They even offer language weekends!
