NEED FOR PRESENTERS

3) We need presenters to make it an engaging and interesting conference for all. We're in this together. We do the organizing of the conference and we need you to do the presenting. Attached you'll see the application form for presentations that we need you to fill out. The information that you include will also help us to describe your presentation adequately in the program.

If you have an idea for a presentation, but are not completely sure where you'd like to go with that idea, please still complete an application, and let us know that you'd like some assistance in developing the idea. We're happy to help!
