Dear CCCFLC Members,

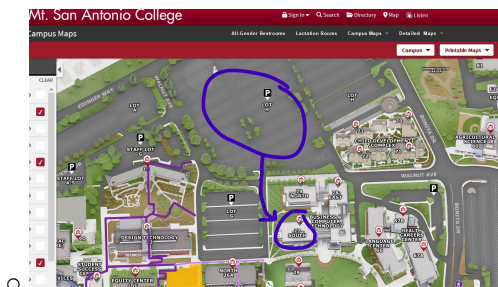

The countdown has begun, only 6 more Saturdays until we all gather for our 2022 CCCFLC Conference! In honor of our 30th Anniversary, we are excited to announce some very special speakers for the keynote portion of the conference... but they are a surprise, you will have to attend to find out who they are.

Speaking of attending, there was a mistake with the pre-registration link in the last newsletter. Because of this some people were unable to properly fill out the form. This mistake has been corrected and we ask that, going forward, you all use this link, [2022 CCCFLC Conference Pre-Registration Form](#). - Note, for those who were able to register online, your information was saved and you do not need to register again. We apologize for any confusion.

We would like to thank those who have already submitted presentation applications. Please note that the deadline for submitting applications is **Thursday, 9/29, by 11:59 PM** ([2022 Presentation Application](#)). Please also note that we will not be recording the individual presentations due to a lack of equipment. However, if any presenters wish to record their own presentation and have it properly captioned for accessibility requirements, we would be happy to share it with our members.

Information you need to know:

- Mt. SAC is hosting this year's conference so there are **no registration fees**. Thank you Mt. SAC!
- Mt. SAC has requested that we confirm attendance and ASL interpreter requests well in advance. Therefore, we ask that everyone pre-register no later than **Saturday, October 8th, by 11:59 PM**, including lunch preference and any accommodation requests. Thank you.
- The conference will be **in person** and held at [Mt.SAC](#) on **Saturday, October 22nd, from 9:00 AM - 4:00 PM**.
- As per our usual format, there will be a keynote speaker followed by three breakout sessions comprised of 2-3 presentations each.
- Each presentation will be **45 minutes (30 minutes of presentation + 15 minutes of discussion/Q&A)**.
- The conference will be held in building 77 and parking will be in lot H, in both the faculty and student parking spots. (See the [Mt.SAC campus map](#) and the image below.)

We look forward to seeing everyone soon!

In the spirit of collaboration and mutual support, for any CCCFLC members who would like to advertise an organization or event related to teaching foreign languages, this area is now designated for sharing such information. Simply email us your links and we will include them in our newsletters. Thank you.

- The [Heritage Language Exchange](#) welcomes you to join their [LUNES DE LATINIDAD](#).

P.S. Feel free to bring any pamphlets or brochures to share at the conference.
