October 2, 2023

Dear CCCFLC Members,

We are very excited that our 2023 conference is only 3 weeks away, **Saturday, October 21st, from 9:00 AM to 4:00 PM** at [LA Valley College!](#)

Good news! Because we do not have to confirm the catering order until 10/13/23, we have extended the deadline for preregistration to **11:59 p.m. on Thursday, October 12**. Please submit the [CCCFLC 2023 Preregistration](#) form, payment and lunch preference by then. After the deadline, registration fees will increase slightly:

- Part-time Faculty: \$45 preregistration (\$55 at the door)
- Full-time Faculty: \$55 preregistration (\$65 at the door).

Parking will be free (details TBA).

A reminder that this year's plenary will be a discussion panel on **"The Synchronicity of Asynchronous Learning"** and will include **student participation**. Additionally, during the break-out sessions we will offer presentations/discussions on the following topics:

- Asynchronous vs. synchronous learning (student discussion/panel, follow-up to plenary)
- Teaching languages for professions
- Open Educational Resources (OERs)
- Zero Textbook Cost (ZTC) for online courses
- How students learn and what works best for them (student discussion/panel)
- Using AI to give feedback to students
- How to go "From Surviving to Thriving" (discussion)
- National study on enrollment

Certainly, these are all highly relevant topics that should lead to some great discussions and insights.

Lastly, for anyone needing a **receipt of payment** and/or **certificate of participation**, they will be emailed out **after the conference**. If you need them sooner, please email your request to [CCCFLC@gmail.com](mailto:CCCFLC@gmail.com).

Looking forward to seeing you very soon!

P.S. Calling all **instructors interested in Open Educational Resources!** Don't miss the LibreTexts workshops coming to your area in October and November. (See below for more info)

In the spirit of collaboration and mutual support, for any CCCFLC members who would like to advertise an organization or event related to teaching foreign languages, this area is now designated for sharing such information.
