

## 2025 CCCFLC Newsletter - Issue 2

---

February 28, 2025

---

Dear CCCFLC Members,

We hope that everyone's semester is off to a good start!

As of this morning, we do not have a host campus for the **2025 CCCFLC Conference on Saturday, October 18th**. If your campus is interested in hosting, we ask that you please submit the [CCCFLC Host Campus Application](#) by **March 31, 2025**. – Note, you may submit a tentative application and edit it as needed. Thank you.

Alternatively, if no campus volunteers, we will continue with the conference, but in an **online format**, same as we did in 2020 and 2021.

Ideally, we need **at least 2 months** (April and May) to meet with the **host campus representatives** (via Zoom) before leaving for our summer break (June and July). Therefore, we will wait until the beginning of April before making the decision to switch to an online format.

As informative as online conferences can be, **we sincerely hope to maintain our tradition of meeting in person** so we may all enjoy spending a day with our colleagues and friends **learning, discussing** issues relevant to foreign language teaching, and simply **spending time together**.

Please, consider hosting this year's conference. It is a wonderful opportunity to **introduce others to your campus**. The CCCFLC officers will be there every step of the way in planning the event. We're always here to help.

In the spirit of collaboration and mutual support, for any CCCFLC members who would like to advertise an organization or event related to teaching foreign languages, this area is now designated for sharing such information. Simply email us your links and we will include them in our newsletters. Thank you.

- California Colleges for International Education ([CCIE](#))
- The [Heritage Language Exchange](#)
- [Flyer to help promote studying Spanish](#)

P.S. Feel free to bring any **pamphlets or brochures** to share at the conference.

Sincerely,

Adrienne Merlo - Secretary
